

## Fun ways to safe, healthy, green travel for your children

### PUPIL POWER

ST:EPS stands for Safe, Travel: Enabling Pupils and Schools. Kettering Buccleuch Academy's secondary school council recently voted unanimously to take part in ST:EPS - for the whole academy! They are concerned about traffic dangers by the school entrance.

### WICKY BEAR WALKS TO SCHOOL

Wicky Bear will be heading out of Wicksteed Park to join Walk to School Week from 20-24th May. Which schools will he be walking to? Make sure you're walking or you might miss him!

## GRANGE PUPILS SCOOT WITH ST:EPS

Our first ST:EPS school, Grange Primary Academy, has just completed the first stage in the Modeshift STARS national school travel accreditation scheme. They also enjoyed a great day scooting.

## HEADING IN THE RIGHT DIRECTION!

Compass Primary School's Year 5 pupils took part in a ST:EPS road safety and active travel taster session with pupils demonstrating the lessons, including a hopscotch-to-school activity, to a whole school assembly.

## MEET THE ST:EPS TEAM

You may have already seen us at your school; Fiona, Alison and Eryn will be out and about helping more Kettering pupils to 'travel active' this term.

## IS YOUR SCHOOL TAKING PART IN ST:EPS?

1. If not, you can still join one of the local, family events below.
2. Also check out our walk, scoot, cycle activities and products at [www.brightkidz.co.uk](http://www.brightkidz.co.uk).
3. Ask your head teacher or head of PE to get in touch with us and sign your school up.

## WHAT'S ON?
